

KALOS ORISATE!

Welcome to the Apollo Café, your destination for experiencing authentic Greek recipes handed down through generations. Enjoy traditional Greek favorites like Pastítsio, Avgolémono soup or vegetarian Spanakórizo. Order a fast chicken Souvláki sandwich or a rotisserie Gýro sandwich to eat in or carry out.

Located on Historic Brady Street in an area once heavily populated by Greeks and Italians, the Apollo Café is in familiar surroundings. The café's atmosphere evokes the richness of mythical Greece through a dynamic interpretation of the classical god, Apollo. During spring and summer, dine outdoors in the Passegio or in Greek, the "Pezothrómio" area reminiscent of downtown Athens. Welcome once again to the Apollo Café, which offers genuine Greek fare and culture to experience and enjoy.
